### Introduction:

Kernow Education Arts Partnership recognises there is a continuing and persistent inequality in society and we have a duty to challenge this throughout our work.

This Equity, Diversity & Inclusion Framework has been developed by the EDI Working group, based on the original EDI Framework and referencing Ministry of Stories 'Guiding Principles for Diversity Action Plan'.

We value individuals, and the aim of this framework is to ensure that there are no barriers to opportunity, achievement, success and enjoyment for everyone we work with.

This Framework will remain an active document and we will ensure we are accountable for action by:

- Creating an annual Diversity Action Plan **AMBER**
- Stating our commitment to EDI in our Business Plan **AMBER**
- Supporting and listening to our EDI working group **GREEN**
- Publishing our progress on our website **AMBER**

The Framework covers everyone who engages with KEAP, The Writers' Block & The Story Republic.

- Participants
- Members of the public including young people
- Partners and other stakeholders
- Freelancers
- Employees
- Volunteers
- Board members

### Our Statement:

We are committed to promoting equality of opportunity and recognising and celebrating the diversity of our world in our recruitment, programming, literature and commissions.
